Background:

Dr. McCalla was the third Vice-President (1982-1989) of the Faculty of Health Sciences at McMaster University. He joined McMaster as an Assistant Professor of Biochemistry in the Dept. of Chemistry in 1966 and became a full professor in 1971. He was the first Dean of the Faculty of Science, 1967. From 1972-1974 he served as Acting Vice-President, Science and Engineering. He was the Chairman of the Dept. of Biochemistry from 1979-1982. Dr. McCalla retired in July 1989.

Content:

The records were transferred to the Archives after Dr. McCalla's term as Vice-President had ended. There is always some overlap between the papers of the administrators because some continue to be active for some time after the end of the term.
